**PENTECOST:** We are going to celebrate this as a Creation Day using the theme 'Send forth your spirit and renew the face of the earth'. After Mass we would like to have a small picnic on the grass opposite the church. If you would like to join us please bring a folding chair some cakes or biscuits and we will supply drinks.

**FLOWER ARRANGING:** It has been suggested that we try to use fewer cut flowers as part of our Live Simply campaign. We will still use them on special occasions and various services, as of course we have a team of excellent arrangers in the parish, but we want to try using growing potted plants around the altar. We will start this on Pentecost Sunday as we celebrate Creation and see whether it works.

Don't forget the **PIETY SHOP** is still open at the back of church. Please take a look.

#### READINGS FOR SIXTH SUNDAY OF EASTER - 26<sup>th</sup> May 2019

##### *The Word was made flesh...*

Jesus dwells not just among us, but within us! He does so in many ways and with many degrees of intensity. The greatest and the most intense way is in the Eucharist. We need this Eucharistic presence, and we take this presence within us at least once a week. We connect with this Real Presence every time we call into Church to pray. This Eucharistic presence sustains the Lord within us. The next intense presence of God in the world is in the Word of God. The Bible is not just a book; it is the Word of God which is *alive and active, and sharper than any two-edged sword. It pierces the soul and spirit, joints and marrow, and is quick to discern the thoughts and intents of the heart.* (Hebrews 4:12). There is a deep and real sense of His presence in the gathering of Church community; hence the Church is called the Mystical Body of Christ. Finally, there is His presence within each of us. All this is the message of today's Gospel. Wherever we go, our God goes with us. Whatever we do, we do together with Him. May we cherish and nourish His Presence within us every day of our lives.

*...and dwells among us!*

**READINGS FOR SEVENTH SUNDAY OF EASTER – 2<sup>nd</sup> June 2019**

***Come Holy Spirit...***

Being one and remaining one has long been a problem in human society. Families that should be united are broken; relationships are fragmented. Many communities are dispersing because of the erosion of the bonds of unity. Our own lives can be in turmoil with the pull of a self-indulgent society opposing the pull of the Gospel's call to unity. We can understand why our Lord took time to pray for unity among those who will be gathered together in His name. We have a duty to make real the priestly prayer of Jesus in our lives; that we be one. The oneness Jesus calls us to will be truly productive in our lives, it will open lots of doors for us especially as we are praying for the coming of the Holy Spirit in our lives. The Holy Spirit cannot dwell in anarchy, chaos and division. He is the Spirit of peace and He would only abide on peaceful grounds. We pray for inner peace that we can be instruments of Christ's peace in our families and society. May the love of God lead us to that unity which Jesus so earnestly prays for today: Lord, may we all be one!

***...make us one!***
