PENTECOST – 9th June 2019

They were all filled with the Holy Spirit...

Once the Apostles heard the Holy Spirit speaking in their hearts they started to communicate their faith to others and off they went! They took, and preached, the Gospel message to places as far away from Jerusalem as Spain, Ethiopia and India. They had no great education, no money or position in society. However, they did have deep and living faith in Jesus. Today's feast invites us to do the same thing; to listen to the Holy Spirit and to communicate our faith. It is our words and our lives that proclaim Jesus. When what we say and what we do both flow from our faith in Jesus, we influence and draw others to want to listen to the Holy Spirit (see Acts of the Apostles!). St Francis of Assisi summed this up when he said: "Preach the Gospel at all times, and if necessary, use words." Let our lives communicate the Gospel to those we meet this coming week. Everyone understands good example. We have been empowered to bring peace to a world that longs to be rescued from chaos. May we have the courage to talk with our lives to others so that the Holy Spirit can speak to their hearts.

...and spoke of the marvels of God, Alleluia!

PENTECOST: We are going to celebrate Pentecost this weekend as a Creation Day using the theme 'Send forth your spirit and renew the face of the earth'. After the 10am Mass we are having have a small picnic on the grass opposite the church (or parish centre depending on the weather). Please join us if you can.

LIVE SIMPLY GROUP: A base group has now met and we are hoping to involve as many of the parish as we can in this. We are **not** going to have a parish meeting on Sat 22nd June as it is the Kendal Unity Festival but we will at some later date.

This Sunday there is a questionnaire in the bulletin about how we are already 'Living Simply'. It would be a great help if you could fill this in so we can get a feel for how much we are already doing in the parish with regard to climate change. Thank you.
