NINETEENTH SUNDAY IN ORDINARY TIME – 11th August 2019

Faith is the assurance of things hoped for...

Abraham is seen as the Father of Faith because of all the figures of Hebrew Scriptures he gives the greatest example of what faith truly is. He was promised that his *descendants would be as numerous as the sands of the seashore or stars of the sky*. He had faith that God would be true to His promise, even when He demanded the extraordinary test of Abraham's faith: the sacrifice Isaac, his son. With faith, he prepared to do as God asked him. Faith means stepping into the unknown and trusting in God. It asks for a way of thinking that is completely opposite to the expectations of people of today. Faith says that we cannot find the answers ourselves, we have to trust in God and He will find ways for us to confront and conquer life's challenges. It is easy to take the way of least resistance in every aspect of our lives. We can easily reject having the deep faith that Abraham offers, but then we would be denying who we really are; the People of God. Today we pray for a deepening of our faith.

... and the conviction of things not seen!

This weekend we will be having our delayed collection supporting **SEA SUNDAY**. Your donations will enable the Apostleship of the Sea (the Church's official maritime welfare agency) to continue their vital work supporting seafarers both practically & spiritually.

There are a few prayer cards at the back of church, Gift Aid envelopes for donations and ship stickers for the children should you wish to take some.

Thursday 15th August is a Holy Day for The Assumption of the Blessed Virgin Mary and Masses will be said at 12.15pm and 7pm.
